SYF Pathway

Teaching Team:

H. Tebbutt, A. Davies, C. Wareham, A. Nelson, P. Abdi

Brief:

- **Restart** – Assess where the students are at – baselines.
- **Reflect** – Provide a safe, structured environment for students to reflect on issues – developing new awareness and insights.
- **Return & Reach** – Provide time-limited intervention with strong focus on students transitioning to a new provision.

Core - Maths

Brief:

- **Restart** - Assess where students are at – set a baseline.
- **Re-engage** – Provide opportunity for students to enjoy Maths.
- **Redress** – Target any gaps.
- **Reach** – Provide clear pathways for students to achieve a GCSE and/or a Functional Skills qualification.

Core - English

Brief:

- **Restart** - Assess where students are at – set a baseline.
- **Re-engage** – Provide opportunity for students to enjoy English.
- **Redress** – Target any gaps.
- **Reach** – Provide clear pathways for students to achieve a GCSE and/or a Functional Skills qualification.

Core - Science

Brief:

- **Restart** - Assess where students are at – set a baseline.
- **Re-engage** – Provide opportunity for students to enjoy Science.
- **Redress** – Target any gaps.
- **Reach** – Provide clear pathways for students to achieve a GCSE and/or a college-recognised alternative qualification.

Core+ - PSHCE & Careers

Brief:

- **Re-engage** – Provide opportunity for students to enjoy PSHE and Citizenship.
- **Relate** – Provide opportunity for students to explore issues relevant to them in a positive, interesting and motivating way.
- **Reflect** – Provide a safe, structured environment for students to reflect on their interests, 'life priorities', strengths, areas for development – developing new awareness and insights.
